

CCC Receives 2023 Top Workplaces USA National Award

*CCC Recognized for Second Year in a Row as an Organization
That Has Built a Great Workplace Culture*

February 7, 2023 – Danvers, Mass. – [CCC](#), a leader in advancing copyright, accelerating knowledge, and powering innovation, has earned a 2023 Top Workplaces USA national award from [Energage](#), a purpose-driven organization that develops solutions to build and brand Top Workplaces.

This employer recognition program recognizes companies with 150 or more employees across the country that have built great workplace cultures. Over 42,000 organizations were invited to participate in the Top Workplaces USA survey. Winners were chosen based solely on employee feedback gathered through an engagement survey issued by Energage. Results were calculated by comparing the survey's research-based statements, including 15 culture drivers that predict high performance against industry benchmarks.

“Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from employees,” said Eric Rubino, CEO, Energage. “In today’s market, leaders must ensure they are allowing employees to have a voice and be heard. That is paramount. Top Workplaces do this, and it pays dividends.”

CCC was recently named one of the [Top Places to Work in Massachusetts](#) by the Boston Globe and was also included in its [Top 100 Women-Led Businesses in Massachusetts](#) list.
